Application of Conditions

All and any business undertaken by "Virtual-IT" is and shall be subject to the conditions hereinafter set out and each condition shall be deemed to be incorporated in and to be a condition of any agreement between "Virtual-IT" and the Purchaser/Renter. The Purchaser/Renter agrees they have read, understood, and agree to these terms.

Reservation of Ownership

The parties agree that this contract is subject to the express condition that ownership in products shall remain vested in "Virtual-IT" and that all modifications, additions, and/or developments, of any kind, must be undertaken by "Virtual-IT" personnel.

Notwithstanding the reservation of ownership as aforesaid, all risk shall pass to the Purchaser/Renter upon delivery of Products to the Purchaser/Renter or his agent, by rail, post, electronic transfer, internet links, or to any other carrier for dispatch to the Purchaser/Renter, at which time the "Virtual-IT" 's responsibility will cease, and the articles will be deemed to have been delivered to the Purchaser/Renter.

Until the Purchaser/Renter has paid the amount due by him to "Virtual-IT" in full, the Purchaser/Renter hereby appoints "Virtual-IT" as his agent in rem suam in so far as the same may be necessary for "Virtual-IT" to affect the return of the products.

Virtual-IT shall retain all worldwide rights in the Intellectual Property and Copyright in and on all Learner Management System Products be they be hosted by the Client or on our LMS Cloud Hosted site, any Development, Services as well as our Web and e-Learning Sites, including, but not limited to, trademarks, service marks, trade dress, inventions, ideas, trade secrets, the source code, the HTML code, the "look and feel" of the Site, its colour combinations, layout, and all other graphical elements, and the copyrights.

The Purchaser/Renter shall retain Copyright to their own content they have supplied for Virtual-IT to upload on to the e-learning sites. Unless otherwise agreed in writing, no right or license is granted to a Party or its Affiliates in respect of the Confidential Information or Intellectual Property supplied for Uploading onto the Virtual-IT e-Learning site. If the Purchaser/Renter makes changes to the already uploaded course materials, these changes may attract a cost.

You should assume that everything you read or see on the Site is copyrighted, trademarked, or otherwise protected and owned or licensed by Virtual-IT.

Except as expressly stated on the Site or in these Terms, nothing that you read or see on the Site or in the courses may be copied, reproduced, modified, distributed, transmitted, republished, displayed, or performed for commercial use without the prior written consent of Virtual-IT except as provided in these Terms. Nothing in these Terms grants you any express or implied license to use any of Virtual-IT's intellectual property.

Transfer of Rights

The Purchaser/Renter agrees that "Virtual-IT" may cede its rights in terms of this contract and transfer its ownership in the products without its consent.

The Purchaser/Renter shall not be entitled to cede and assign his rights under this contract without the prior written consent of "Virtual-IT".

Breach

Should the Purchaser/Renter breach any of these Conditions, "Virtual-IT" shall in its election and without prejudice to any rights which "Virtual-IT" may in law have the right to:

cancel the contract without prior notice to the Purchaser/Renter;

remove and repossess all the products and recover the damages which "Virtual-IT" may have suffered consequent upon such cancellation;

abide by the contract and claim from the Purchaser/Renter payment of the purchase price outstanding or any outstanding recurring fees which amounts shall immediately become due and payable.

Limitation of Liability

Neither "Virtual-IT" nor any of its officers, directors, members, employees, or agents/consultants shall be liable for any loss or damage, whether direct or indirect, consequential, or otherwise, whatsoever, suffered by the Purchaser/Renter arising from any cause in connection with the supply of the products or services (including without limitations any act, omission, or negligence on the part of "Virtual-IT" or its employees or agents).

The Use of the Product Is at Your Risk

You use "Virtual-IT" Products and Services at your risk. You must evaluate, and bear all risks associated with the use of any Content, including reliance on the accuracy, completeness, or usefulness of any Content. Any content you download/transfer/add is downloaded/transferred/added at your discretion and risk, and you are solely responsible for any damage to your computer system or any systems whatsoever and for the loss of any data that results from the downloading/transferring/adding of any such content, including any damages resulting from computer viruses. It is your responsibility to ensure you have anti-virus software loaded that covers all your computer systems and is kept up to date.

We endeavor to provide a convenient, functional, and safe product, but we do not guarantee that the Content will be error-free or that the Product or the server that may operate it is free of viruses or other harmful components.

Any use whatsoever of any of our Products is subject to these Terms and Conditions, even if the sign-on Terms and Conditions are not present as you open the Product.

Although we will use reasonable endeavors to maintain the Content, we urge Purchaser/Renters to keep regular backup copies of all their data used with the Product. Virtual-IT will accept no responsibility whatsoever for the lack of any backups or the loss of any data or any compliance issues with data.

If your use of the Product results in the need for servicing or replacing property, material, equipment, or data, we will not be responsible for such costs.

Without limiting the above provisions, everything within the Product is provided to you "as is" and "as available" without warranty or condition of any kind, either expressed or implied, including, but not limited to, any implied warranties of merchantability, fitness for a purpose, or non-infringement. We exclude all representations and warranties to the fullest extent permissible under any Applicable Law. Virtual-IT is not liable for criminal, tortious, or negligent actions or omissions of third parties.

If a jurisdiction does not allow the exclusion of implied warranties in accordance with the paragraph above but allows limitations of a certain maximum extent, then we limit our warranties to that extent.

It is the responsibility of the Purchaser/Renter to ensure that their network system and/or hardware and/or software have the capabilities to run any "Virtual-IT" Product they have purchased or rent. If there is a problem running any "Virtual-IT" Product, "Virtual-IT" has the right to bring in experts, at the Purchaser/Renter's expense, to establish the cause of such problem. All software on the Purchaser/Renter's computers must be a legalised and registered copy. The same version of MS Access should be on all computers accessing the "Virtual-IT" software and the version of Windows should be consistent. It is the Purchaser/Renter's responsibility to ensure they have the correct software loaded on the computer/s that will host the "Virtual-IT" database/s. It is also the Purchaser/Renter's responsibility to ensure they have anti-virus software loaded that covers all their computer systems as well as all firewall, encryptions, and any other data security, and these are updated regularly. Virtual-IT accepts no responsibility for data loss.

If the Purchaser/Renter allows anyone other than a "Virtual-IT" employee to work on a Virtual-IT Product without the express authorization from Virtual-IT then the support clause will fall away and Virtual-IT will accept no responsibility whatsoever for that Product.

"Virtual-IT" accepts no responsibility, whatsoever, for any impact that changes in legislation might have on our databases or to changes there might be to reporting structures in terms of that legislation.

Virtual-IT, its employees, agents, and/or consultants will not be liable for any direct, indirect, consequential, special, or other damages resulting from your use of any of our Products or Services.

You will expressly indemnify Virtual-IT the officers, directors, members, employees, or agents/consultants of "Virtual-IT" from any actions, damages, liabilities, and costs, including all legal costs, arising from any breach of these Terms and Conditions.

"Virtual-IT" uses remote accessing facilities to install or service Purchaser/Renters "Virtual-IT" databases, as well as using Training Videos hosted on the Internet and e-learning products. Virtual-IT, its employees, agents, and/or consultants will not be liable for any loss, direct, indirect, consequential, special, or other damages resulting from this method of access.

"Virtual-IT" strives to provide LMS-hosted clients and e-learning clients access to their online courses on a continuous basis. To that end, "Virtual-IT" will take all commercially reasonable efforts to provide uninterrupted access to the sites to its Clients. However, from time to time, students may be unable to access the courses due to conditions beyond Virtual-IT's control. Such conditions include, but are not limited to force majeure, acts of God, power outages, and others acting outside of the law. Also, from time to time, access may be unavailable due to regular maintenance of the system and other related reasons. In response to any unavailability of the sites to users, Virtual-IT will take all commercially reasonable steps to ensure access is restored within a reasonable time. The term "commercially reasonable" as used in these terms, shall mean Virtual-IT, its employees, agents, and/or consultants will not be liable for any direct, indirect, consequential, special, or other damages resulting from any interruption of access to any of its services.

Virtual-IT is committed to data security on its sites but the responsibility for loss of any data from these sites is the Purchasers/Renter's sole responsibility.

On installation, our products are supplied with default Usernames, Passwords, and Permission levels, it is the Purchaser/Renter's responsibility to ensure these security levels are changed shortly after installation and are reviewed regularly particularly when an operator has left the company.

There is also an Administration password that allows our support team access to your LMS. It is advised that you contact our support team should you wish to change this password for a unique one for your Company. It is the Purchaser/Renter's responsibility to keep this password in a secure location, as without it Virtual-IT cannot assist with support.

If you would like your Virtual-IT LMS encrypted, please email our support team for a quote.

By using our Cloud platforms all Purchaser/Renter-hosted clients confirm that they give Virtual-IT permission to store their Clients Learner as well as Employee data and confirm that they have permission to capture such data from the individuals concerned.

Non-MS Access documents stored on Virtual-IT Cloud servers are not Virtual-IT's responsibility and must be protected by the Purchaser/Renter themselves.

By using our Cloud site, the Client confirms that their Capturers, Operators, Administrators, etc. have been instructed in the importance of POPI compliance and that their staff or contractors or anyone accessing their data have undergone Data Privacy Awareness Training.

Development

If we need Client data for importing, development or other services, we will request it is sent to us in an encrypted file, we will work with it, return it to the Client via a TeamViewer session and instruct the Client that they must confirm they are happy with the work as we will be deleting the data, we have received from them within three working days.

Before receiving the data, we need the Client to:

- Agree that they are authorizing us to work with their data.
- That they have the necessary permissions from each individual whose data they are loading onto an LMS to capture said data.
- They agree to proof checking the finalized work within three working days of delivery, as it will be deleted from our servers at that time.
- That they will send the data to us in an encrypted format
- They will have an authorized member of their team present during the TeamViewer installation.
- They have no objection to us recording the TeamViewer session.

Prices and Terms

Unless otherwise stated all orders will be invoiced at the prices in effect on the date of shipment, which the Purchaser/Renter agrees to pay. Payment must be made in full before any installation or development begins. No refunds will be entered if the Product has been sold as part of a "Special Offer" or has been discounted. e-learning Course and LMS Hosting Fees are payable monthly in advance.

Alteration or Waiver of Conditions

No agent, consultant, or employee of "Virtual-IT", other than that of a Member thereof, has "Virtual-IT" 's authority to alter or vary these conditions.

No agreement varying, adding to, deleting from, or canceling any of these conditions and no waiver of any rights under these conditions shall be effective unless reduced to writing and signed by a Member of "Virtual-IT". No representations other than those included in this contract shall be of any force or effect unless reduced to writing and signed by both parties.

Once products or services have been ordered by the Purchaser/Renter such order cannot be varied or canceled in any manner whatsoever, other than in writing and signed by the Purchaser/Renter and "Virtual-IT".

Miscellaneous

The proposed delivery date of products shall not constitute a material term of this contract and any failure by "Virtual-IT" to adhere to such date shall not entitle the Purchaser/Renter to cancel this contract nor relieve him from his obligation hereunder.

The Purchaser/Renter assumes the responsibility for the selection of the Product as being adequate for and appropriate for the Purchaser/Renters purposes.

If the Purchaser/Renter or anyone associated with their Company edits or adjusts any report, certificate, form, table, etc. within the LMS they do so at their own risk. If Virtual-IT needs to edit or repair anything a Purchase/ Renter has adjusted, the repair work is chargeable.

The Purchaser/Renter accepts that the importing of logos, data, the addition of Purchaser/Renter contact details, and the preparation of the Products for delivery are personalisation of the database for the Purchaser/Renters and are undertaken conditional to the sale. If a refund is requested the costs for this personalization will be recovered, before the refund calculation, based on an initial charge of 3 hours at "Virtual-IT" s current hourly rate for a Single User License and 30 minutes thereafter per additional license plus any charge for any importing of data and/or development.

The Purchaser/Renter accepts our cancellation policy namely, for cancellations after seven days or less from invoice a cancellation fee of 10% will be deducted from the refund. For cancellations after eight days to thirty days from the invoice, a cancellation fee of 30% will be deducted from the refund. For cancellations, after thirty days to 6 months from the invoice, a cancellation fee of 50% will be deducted from the refund. After 6 months, no refund is payable. There are no refunds on discounted/special offer sales. These cancellations apply to one-off purchases only. There will be no refunds for e-learning courses developed for Clients once the final proof has been accepted. All cancellations must be in writing. If the Product is an e-Learning Course developed by the Purchaser/Renter, on confirmation that all fees, any penalties, etc. are fully paid the Purchaser/Renter will receive a copy of their course structure. Cancellation will only take place once all invoices on recurring monthly payments are made in full.

Any Hosting contracts must be canceled by 30 days' notice in writing unless they form part of an e-learning package where there is a six-month minimum contractual period.

One of the Virtual-IT's services we offer is that we host the LMS for you on our Cloud server. We use a third-party service provider with an excellent background. Backups are done daily. Regarding support, Virtual-IT would act as third-line support during our support periods. Learners would contact the Purchaser/Renters support team for first-line support and if necessary, those support administrators would contact Virtual-IT. Virtual-IT does not support Learners directly under any circumstances. You will find the support department's operating hours below.

All Hosting Fees are due before the start of a month. Any fees not paid by the 15th of a month may result in the suspension or termination of the service.

The Purchaser/Renter shall be obliged to notify the "Virtual-IT" in writing within 48 (forty-eight) hours of receipt of the Product of any defects, or any other faults or short/ non-delivery relating to the Product or development to such Products and in the absence of such timeous written notification to "Virtual-IT", it will be deemed to have been acknowledged that the Products were received in good order and condition and to the Purchaser/Renter's satisfaction. In terms of importation/exportation of data, all effort will be made to ensure accuracy, but it is the clients' responsibility to ensure the correctness of such development/data and check data. All development undertaken remains "Virtual-IT" 's intellectual property and copyright. It is Virtual-IT's policy not to work with, adjust, amend, or manipulate Purchaser/Renter's data in any way. "Virtual-IT" 's liability in respect of any article, service or products delivered which is proved to be defective shall be limited to either replacing such article or at "Virtual-IT" election, refunding the purchase price or part thereof paid to "Virtual-IT" as long as a notice in writing is received within the time specified above. "Virtual-IT" reserves the right to stop work on any project at any time.

The ownership of e-learning Courses developed by Virtual-IT remains the property of Virtual-IT until the development costs are paid in full. If a Client cancels Virtual-IT's Hosting services and if all payments and hosting fees are UpToDate and the minimum hosting period has been met, the Course will be sent to the Client as a Course file.

Our Price List for e-Learning is based on the number of active Learners per Course per month. If Learners are doing more than one course in a month then they are counted as being active on each.

Each e-Learning hosted site is limited to 150 Gb for Document Storage and 3Tb Web Traffic. If a Client needs more this can be quoted.

Hosted Learner Management Systems Document Storage and Web Traffic are limited based on the version of LMS and the number of User Licences. Please contact us to check the limits of your particular package.

Hosted Learner Management Systems site Documentation and Web Traffic is based on the LMS version and number of User Licences hosted. Please check with us for confirmation.

The Single and Multi-User LMS Products are sold with 3 (three) months of e-mail support included in the price, which runs from the date of invoice. All questions, queries, etc., of any nature, to be e-mailed to support@virtual-it.co.za where one of the Virtual-IT team will aim to respond ASAP. The e-mail support department is operational Monday to Thursday 09.00 to 15.00 and Friday 09.00 to 13.30 CAT. "Virtual-IT" has an annual close-down in December/January each year when the support department is closed. Telephonic support will not be entered into. We do not undertake callouts or on-site training but if they were to happen then these would be charged out at the applicable hourly rate plus traveling and accommodation (where necessary). The Lite LMS Products are sold with access to the knowledge base FAQ supplied during installation.

Support for our e-learning products is limited to support calls from the Clients administrators. Virtual-IT will not support Students directly under any circumstances. Support from Students must be forwarded to your support section, if your support team

cannot answer the query then these queries can be forwarded to the Virtual-IT support team who will deal with them during our support working hours, as listed above.

In the event of any amount payable by the Purchaser/Renter not being paid in full on or before the due date then the total amount owing in terms of this contract shall immediately become due and payable. "Virtual-IT" shall be entitled to charge interest in respect of any overdue amounts at the maximum rate permissible from time to time as outlined in the Limitations and Disclosure of Finance Charges Act No. 73 of 1986, as amended, or any other applicable legislation.

Payment of the purchase price, or Hosting or any part thereof by the Purchaser/Renter to "Virtual-IT" may not be withheld pending the settlement of any claims or disputes.

No extension of time or other relaxation or indulgence which "Virtual-IT" may grant to the Purchaser/Renter shall in any way prejudice any of "Virtual-IT" 's rights hereunder and more particularly, and without derogating from the generality of the foregoing, no act of "Virtual-IT" in accepting an installment after the due date or in accepting a lesser sum than the amount due, shall operate as or be deemed to be a waiver by "Virtual-IT" of any of its rights hereunder or a novation of any of the terms or conditions of this sale.

The purchase price is payable to "Virtual-IT" in South African currency to "Virtual-IT" 's Bank Account by Electronic Funds Transfer (EFT). "Virtual-IT" reserves the right to review the pricing and take appropriate action when changes to any Product, Development, or Hosting specifications are requested by the Purchaser/Renter after an order has been made.

Any bank charges or variation in the rate of exchange shall be borne by the Purchaser/Renter. Unless otherwise stated in writing by "Virtual-IT", all Sales payments shall be made before delivery of the services/products supplied.

In the event of "Virtual-IT" deciding to institute legal action for the enforcement of any of its rights against the Purchaser/Renter, it shall be entitled to do so in the Magistrate's Court which would, but for the claim size, have jurisdiction.

The Purchaser/Renter shall pay all legal costs incurred by "Virtual-IT" on an attorney's client scale in taking any legal action against the Purchaser/Renter for the enforcement of any of its rights.

The Purchaser/Renter hereby chooses domicilium citandi et executandi for all purposes incidental to or arising out of this contract, including the service of summons, at the address of the Purchaser/Renter given on the order form.

All quotations are valid for 30 days only (unless they form part of a special offer) and are based on one installation date, in one location, via the internet. Any calls for further training, installation, and development are chargeable and will be conducted via the Internet. "Virtual-IT" does not undertake live training nor onsite callouts but if there is a call to the client's premises, an hourly rate, traveling and where applicable and accommodation are to the Purchaser/Renters account. Virtual-IT retains the right to refuse to undertake any training or development.

All Virtual-IT Core Dashboards form part of our Cloud Hosting Service only, they are not available for Non-Cloud Hosted Clients. If a Client is upgraded to a higher LMS version as part of a Cloud Hosted package, the upgrade will fall away if they cancel their Cloud Hosted service and their original LMS will be returned to them with their data.

The Purchaser/Renter agrees that all additional free licenses that the Purchaser/Renter has acquired via any special offer will fall away if the hosting contract is canceled.

Site Content

You acknowledge that the Content of the Product is subject to copyright and possibly other intellectual property rights. Such Rights remain with Virtual-IT. Access to intellectual property (development) is not permitted.

Unless you are expressly authorized by law you must not yourself, or participate in or permit any other person, to:

- (i) sell, reproduce, distribute, modify, display, publicly perform, prepare derivative works based on, repost, or otherwise use any of the Content in any way for any public or commercial purpose without our prior written consent; or
- (ii) use any Content on any other website or in a networked computer environment for any purpose; or
- (iii) reverse engineer any Content consisting of downloadable software; or
- (iv) otherwise, infringe the Intellectual Property Rights of any person in using the Site or any Content.
- (v) Install more LMS's than the number of licenses you have paid for.

Nothing you do to or in relationship to the Product will transfer any Intellectual Property Rights to you or license you to exercise any Intellectual Property Rights unless this is expressly stated.

Notices

We will give you any necessary notices by posting them on our Web Site www.virtual-it.co.za. You agree:

(i) to check the Site for notices;

(ii) that you will be considered to have received a notice when it is made available to you by posting on the Site.

General Provisions

If any part of this agreement is held to be unenforceable, the unenforceable part shall be given effect to the greatest extent possible and the remainder will remain in full force and effect.

This agreement will be governed by the laws of the Republic of South Africa. You irrevocably submit to the exclusive jurisdiction of the courts of the Republic of South Africa.

You agree to defend, indemnify, and hold harmless us, our officers, directors, members, employees, or agents/consultants, from and against any claims, actions or demands, including without limitation reasonable legal and accounting fees, alleging or resulting from your use of the Product/Services or the Content or your breach of this agreement.
